HITACHI Inspire the Next

Hitachi—T&D Solutions — (Formerly GE-Hitachi/HVB)

High Voltage breakers, 69-800kV, Gas Insulated Substations
Generator Main Circuit Breakers. 200 to 3,000 mVA Transformers.
USA manufacturing for circuit breakers. <http://hitachi-tds.com>

Myers Power Products, Inc. — MV Switchgear, Outdoor Breakers

Complete Power Distribution buildings, LV and MV switchgear,
15-38kV outdoor breakers (formerly Schneider/SquareD).
USA Manufacturing
<http://www.myerspowerproducts.com/index.php?lang=en>

Advanced Power Technologies

Advanced Power Technologies — Temperature monitors

Temperature monitors for transformers—direct replacement for existing
manual gauges and latest digital technology. Complete monitoring for all
transformers. 100% USA manufacturing
<http://www.advpowertech.com/>

Pascor Atlantic — Air Break Switches

Switches, motor operators, ground switches
(KS, MO) 100% USA manufacturing
<http://www.pascoratlantic.com>

Sicame Corporation—Splices and Connectors

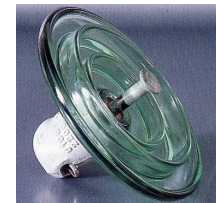

LV and MV, splices and taps, insulation piercing connectors, under-
ground, overhead, and street lighting connectors
(KS, Western MO)
<https://www.sicameusa.com>

SEDIVER

Seves USA (Sediver/PPC Insulators) — Insulators

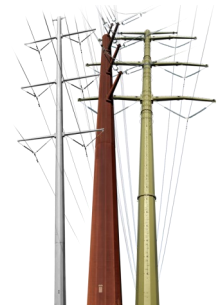

Station post insulators from 5—765kV. Toughened glass and porce-
lain distribution and transmission insulators. SALVI hardware strings
USA manufacturing for transmission insulators
<http://www.sevespower.com>

"THE NEW" Sabre · FWT

SABRE Industries — Steel Structures

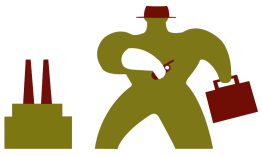

Structural transmission and distribution poles, sub-
station structures. 100% USA manufacturing
(KS, NE, IA, KCMO)
<http://www.sabreindustriesinc.com/>

AMSC — Dynamic VAR, Statcom, Superconducting UG cables, Fault Limiters

1 and 4MVAR Dynamic VAR support and statcom—electronic VAR
20ms reaction time, 3x overload for 2 seconds
Excellent for providing real-time +/- VAR in small sizes
Superconducting liquid nitrogen filled MV and HV cables—no
resistance. <https://www.amsc.com> USA manufacturing

Omicron — Testing and Measurement Equipment

Protection test sets for transformers, relays, CTs, step potential, primary and secondary testing. Programmable voltage and current injection source, power system simulator, Ethernet interface (KS and MO)

<http://www.omicronusa.com/en/>

Schneider; SquareD— Breakers, Service, Switchgear, Repair

MCC's, Switchgear, RTUs, Metering, Relays, Automatic Transfer Switches (KCMO, KS, Springfield MO utilities only)

USA manufacturing

<http://products.schneider-electric.us/products-services/products/>

Technibus — Isophase and Non-Seg Bus Duct

Isolated-phase and non-segregated bus duct from 600V through 35kV, 6000A. 100% USA manufacturing

<http://www.technibus.com>

Benning — UPS Systems, DC Panels and Batteries

Complete UPS Systems including batteries and chargers. PWM technology, USA manufacturing, local support

<http://www.benning.us/>

Hitachi—T&D Solutions — (Formerly GE-Hitachi/HVB)

High Voltage breakers, 69-800kV, Gas Insulated Substations Generator Main Circuit Breakers. 200 to 3,000 mVA Transformers.

USA manufacturing for circuit breakers. <http://hitachi-tds.com>

Enerset/Turbo Applied Technologies — 5-16MW combustion turbine packages

Complete CHP: GE turbines, skid mounted with all accessories

High heat rates for CHP, gas or diesel USA manufacturing

<http://www.tatcorp.com>
